

Form: opposition application - individual persons

Registro del ccTLD .it
Istituto di Informatica e Telematica del CNR
Via Giuseppe Moruzzi, 1
I-56124 Pisa (Italy)

Re: request to activate the opposition procedure for the domain name “_____it”, to the intents and effects of the provisions of Article 5 of the Rules for assignment and management of domain names in the ccTLD .it.

The undersigned (*first name surname*), born in (*place of birth and [province or foreign country]*) on (*date of birth*), resident in (*address of abode [street/square, location, post code province or foreign country]*) tax code or identity document number (*tax identification number*) and e-mail address (*user@domain*) hereby requests the activation of the opposition procedure against the domain name “_____it” in that the current assignment of the domain name infringes:

- a right to a name;
- a registered trade mark;
- other right (specify in detail the type and nature of the infringed right);

in this regard a detailed description of the infringed right and the damage suffered is shown below

.....

Consequently the Registry of the ccTLD .it is asked to:

- add the status of “challenged” to the domain name “_____it”;
- give the Registrant notice of the start of complaint procedure within ten days of receiving this;

The undersigned:

- is fully aware that the Registry can bring a civil action and, if it is the case, a criminal action against it in the event of a false declaration;
- undertakes to indemnify the Registry from all liability of costs or nuisance for any action by third parties or the Registrant in relation to this request and events connected or consequent to it.

Place, date.....

“Pursuant to art. 13.1 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016 on the protection of individuals with regard to the processing of personal data, the personal data provided by the applicants will be collected by the Institute of Informatics and Telematics, for the purposes strictly connected to the operation of opposition of the domain name and will be processed in a database of the IIT for the execution of the operations related to the request itself as well as for the other purposes of the law, and if appropriate for the protection of rights. The Data Controller is the National Research Council, through the IIT - Registro. The data will be communicated to the other party or to the counter-parties and to third parties where required by law, by regulatory provision or by Community law, or, where appropriate, for the protection of rights. The supply of such data to the Institute of Informatics and Telematics of the CNR is mandatory for the evaluation of the request for access to personal data of the assignee of the domain name..”
