“Pursuant to art. 13.1 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016 on the protection of individuals with regard to the processing of personal data, the personal data provided by the applicants will be collected by the Institute of Informatics and Telematics, for the purposes strictly connected to the operation of verification of subjective requirements of the domain name and will be processed in a database of the IIT for the execution of the operations related to the request itself as well as for the other purposes of the law, and if appropriate for the protection of rights. The Data Controller is the National Research Council, through the IIT - Registro. The data will be communicated to the other party or to the counter-parties and to third parties where required by law, by regulatory provision or by Community law, or, where appropriate, for the protection of rights. The supply of such data to the Institute of Informatics and Telematics of the CNR is mandatory for the evaluation of the request for access to personal data of the assignee of the domain name.

Pursuant to Article 15 of Reg. EU2016/679, the data subject has the right to obtain access to the personal data concerning himself or herself, to their rectification, integration or erasure, limitation or regarding opposition to their processing at any time, where there are legitimate reasons. The consent given may be revoked at any time. The data subject also has the possibility to make a complaint to the Supervisory Authority.”
